In the Field of Sport

TIGERS TAKE FIRST VICTORY FROM PIKERS

Coach Jones' Tossers Win Game From Washington After Losing Three and Tying One.

FINAL SCORE IS 3 TO 0

St. Louis Men Make Last Struggle in Ninth—Fielding of Both Teams Is Sensational.

Airtight pitching by Ficklin, coupled with the errorless support of his teammates, enabled the Tigers to blank the Washington University baseball team in the last game of the Tiger season at Rollins Field yesterday afternoon. The final score was 3 to 0. It was the first victory for Coach Jones' tossers over the Pikers, having lost three to them and tied one.

Ficklin had a shade the better of a brilliant pitching duel with Scurluck, spitball hurler of the Pikers. While Missouri was bunting three hits with a walk and a sacrifice hit for three runs in the sixth frame, the Tiger moundman was toying with the visitors. Wildness got the lanky Missouri hurler in hot water, several times but he always tightened in the pinches.

In the first seven innings Ficklin allowed only one single, a scratch hit through third base. In the eighth the St. Louisians got to him for two hits after two men were out, but the next hitter was an easy out. True to form, judging from performances of this season, the Tigers managed to put three Pikers on the paths in the ninth with only one gone. However, Ficklin made Finn lift to Roberts in short right field and whiffed Bond, who was sent in to hit for Scurluck.

Roberts was the lone Tiger to reach first base off Scurluck in the first five innings, but in the sixth the Piker spitball weakened, and Missouri pushed across three runs.

Whitehead, who played third base, started the inning by drawing a free ticket, and went to second on Ficklin's sacrifice hit. Freddie Taylor came through with a double to right, sending Whitehead across. Roberts dropped a single in short center, Taylor holding second. Lowrance forced the Tiger right fielder at second, when Wyman misjudged his fly, but threw to Edgar at the middle station. Taylor took third on the play and Lowrance stole second on the next pitch. Murphy's single to left field scored both men.

Two more hits were collected off Scurluck in the last two frames by Taylor and Whitehead but neither resulted in a score. Coming into the ninth, the Pikers made a final effort to pull the game out of the lost column. Fries opened the inning by working Ficklin for a free ticket. Wyman, the bespectacled Piker keystone guardian, struck out, but Shanley followed with a two-bagger to center, Fries holding third. Thompson drew the second base on balls of the inning and the has-socks were loaded for Finn, who flied to Roberts. Fries was caught floundered off third and was unable to score after the catch. Bond, a pinch-hitter, fell victim to Ficklin's curves and the game was ended.

The fielding of both teams was sensational. Edgar handled ten plays without the semblance of an error, making several brilliant stops and throws. Roberts' neat catch of Fries low liner in the fourth resulted in a double killing. Linnemeyer being caught off second.

ENGLISH ATHLETES TRAIN ON BEER AND ALE DIET

American Trainers Are Surprised at Endurance of British Record Breakers.

By United Press. New York, May 20.—England has a lot of liberal ideas but in the training of athletes the British theory is positively loose.

The difference in the method of training athletes in the United States and England is as wide as the water that separates them. However, there is no chance now for Americans to prove the respective merits of the two training systems, because there is no beer or ale in the United States and that's what they train on in England.

The relay runners of the University of Pennsylvania who finished second behind Cambridge in the recent four-mile event at the Queens Club in London, were the most recent American boys to be stunned by the English way of getting ready for a race.

The Penn boys were treated royally by their British hosts and invariably at every function their introduction was followed by—"ave one, won't you?" and a mug of ale.

ARGENTINA BREAKS RECORDS

Swimming Feats in Rio de la Plata Make World Standards.

By United Press. BUENOS AIRES, May 20.—Argentina is setting new world swimming records for distance and endurance in the water, and the past month has witnessed performance of remarkable feats in the Rio de la Plata.

Far surpassing the achievement of Tiraboschi, who established a precedent by crossing the 30 mile width of the stream in 1920, is that of an Argentine amateur swimmer, Senor Romeo Maciel, present holder of the world's record. The latter attained this distinction by crossing from Colonia to Punta Lara, a distance of 50 kilometers and 300 meters in 24 hours, 33 minutes and 40 seconds. Lieutenant Juan Luis Garamendy, of the Argentine army, is shortly to attempt to outdo this.

Maciel's crossing of the river was made March 13. The swimmer's voracious appetite nearly cost him his laurels, for food administered to him while he was in the water was consumed in such quantities that cramps resulted.

WATSON NOT TO MEET RAY

Kansas City Man Refuses Chance to Race Special Match.

Ray Watson of Kansas City, declined yesterday to meet Joie Ray, premier middle distance runner of the Illinois Athletic Club, whom he defeated at the Drake relays last month. He was invited by Coach A. A. Stagg of the University of Chicago to meet Ray in a special one-mile match race during the interscholastic track meet at the university.

Watson was formerly a student of Kansas Agricultural College, and gave the statement that he was already dated to run there on the day of the Chicago meet as his reason for declining. Ray accepted Coach Stagg's invitation May 17.

DAY INTO TENNIS FINALS

Winner of Peck-Shimmer Match to Be His Opponent.

The University singles tennis tournament has reached the semi-finals. Shimmer defeated Weber, 6-2, 6-4, in the last of the third-round matches. Day defeated Turner yesterday afternoon in a semifinal match, winning two out of the three sets, 6-1, 4-6, 6-3. Peck and Shimmer were scheduled to play this morning. The winner of this match will meet Day in the finals.

"BABE" RUTH IS REINSTATED

Landis Pardons Men Who Were Suspended for Post-Season Playing.

By United Press. CHICAGO, May 20.—Babe Ruth, home-run king, banned from baseball since the start of the season, was reinstated today by Commissioner K. M. Landis.

Ruth, who was fined and suspended for playing exhibition games after the close of the 1921 season, petitioned the commissioner for the right to play at the expiration of the suspension at midnight last night.

Landis in answer to Ruth's telegram lifted the ban.

Bob Meusel and Bill Piercey, who accompanied Ruth on the barnstorming were also reinstated.

SWISS GAMES FOSTER PATRIOTISM THROUGH SINGING AND DANCING

Miss O. Bach, a member of the romance language department of the university, was reminded recently of the festivals and games of her native Switzerland.

"The Swiss love their singing and shooting and gymnastics," said Miss Bach, "but we do not seem so passionate in our games as the Americans. Our contests are chiefly for fostering a patriotic spirit, for there are Italians, French, and Germans in our cantons, and it is good for them to meet in friendly rivalry. The festivals have for centuries been characteristic of the Swiss, but festivals representing the passing of the seasons, the founding of towns, or the harvesting of crops. The village folk, every ten years, as in the Fest de Vignerons at Vevey, depict these ideas through dancing and singing, dressed in fantastic costumes which it has taken many days to make."

Speaking of Thun, her home, Miss Bach said, "It is a typical Swiss village; above it on the mountain side is the old Roman fortress and beside it is the clear Lake of Thun, not very far from Lake Geneva and the Prison of Chillon."

Since coming to the United States, Miss Bach has taught in Eureka College, Ill., the University of Nebraska, and Oberlin College, Ohio. She has been at the University of Missouri since last September.

PRUDENCE REPLACES FERVOR

Aged Man Plays Safe by Applying for Licenses to Wed Three.

By United Press. LONDON, May 21.—When the aged cousin of a prominent peer decided after a lifetime of celibacy to run the final lap in double harness, he played safe.

First he applied to the Archbishop of Canterbury's Faculty Office, for sanction to marry the lady of his choice at St. Margaret's Church, Westminster.

The next day he sought and obtained a license at a register office to marry another woman.

The third day he went back to the Faculty office and asked for a license to marry a third choice, this time at St. James' Church, Piccadilly.

It was explained that it was possible to marry only one woman at a time, and that the Faculty Office could not issue another license.

"I already have a second license," he explained. "I am getting old and cannot propose with the fervor of a younger man, but I am fairly certain one of them will marry me if I show the license."

He didn't get the third license.

STUDENTS WANT GYMNASIUM New \$125,000 Building Is Proposed at Westminster College.

Westminster College at Fulton will probably erect a \$125,000 gymnasium this fall, following an offer by the student body to raise \$15,000 among the students. A \$50,000 campaign for the college is now under way, and President E. E. Reed proposes to set aside \$125,000 for the gymnasium by August 31.

A committee of twenty-six men has been appointed who will see every student at the college. The students will be given five years in which to pay off their notes.
